Hon A. H. Garland

Dear Sir. Herewith you will find an application for the appointment of Capt David P Black as Asst Q. Master to take rank from the 7th inst. his bond & an oath. Also a letter from War Dept dated Nov 10th 1863. The matter having been for a long time before the Department I forward this application without sending it through the Military channels the applicant will explain it. I now forward it with the request that you try & secure the appointment to be made.

Your letter of the 24th was duly received. The troops here are in fine health & spirits. Gen Canby is trying to have us assigned to some permanently. I wrote to you several days since informing you that my Regt had re-enlisted for the war & sending a copy of the resolutions adopted. No news from Arkansas.

Your friend

D. H. Reynolds

I respectfully forward a new bond for him and ask that he may at an early day be appointed Asst Quartermaster with the rank of Captain and to take rank from the 7th day of May 1862. He is an excellent & worthy man and a good officer.

Respectfully &c.

D. H. Reynolds.

Hon. J. P. Seddon

Secy of War

Sir In March 1862 Col Churchill then commanding this Regiment was promoted to Brigadier Genl at that time Capt James D Latimer was on duty as Regimental Quartermaster when Genl Churchill entered on duty as Comdg of Brigade he took with him Capt Latimer as Brigade Quartermaster thereby leaving the Regiment without a Quartermaster. On the 7th day of May 1862 Capt David O Black of Prairie County Arkansas was by order of Major Genl Van Dorn assigned to duty as Regimental Qr Master & has been acting in that capacity from that time to the present and under the impression for a long time that his appointment had been made & his bonds approved. In January 1863 Col Harper then Commanding the Regiment learned that the appointment had not been made & that the Dept was under the impression that Capt Latimer was the Regt Qr Master. he then notified the Dept in writing and received in reply a letter of which the enclosed is a copy. Here the matter rests leaving us under the impression that the appointment has been made to take effect from assignment to duty & that his bonds had been approved. He has thus since his assignment to duty in May 1862 been receiving & paying out money & performing all the duties pertaining to his office as Regimental Qr Master. He has just learned through Capt Latimer Brigade Qr Master that the appointment has never been made

(Over)

I respectfully forward a recommendation for promotion and ask that he may at an early day be appointed 1st Quartermaster with the rank of Captain and to take rank from the 1st day of May 1862. He is an excellent soldier, man and a good officer.

Sir,

I beg leave through you to call the attention of the Secy of War to a letter submitted about the last of January in regard to the appointment of a Master Wagon Master & Commissary of Subsistence for my regiment.

Capt D. D. Latimer A.A.G. M of the regiment was promoted on the staff of Churchill when he was made Brigadier Genl & has never been on duty with the regiment since: when Genl Churchill left for Arkansas in Nov '62 he ordered Capt Latimer to report to him at Little Rock which I suppose he did: as we have frequently heard from him since.

Capt Wilson who was Commissary

is precisely in the same situation. So I am left in Command of the regiment without a Quarter Master or Commissary. In April/62 I recommended Capt D. P. Black as Quarter Master: who was appointed to duty May 7th 1862 by order of Brig. Gen. Van Dorn. & on or about the 1st Nov/62 Capt W. J. Edwards was nominated for appointment as Commissary of same regt. Now I earnestly ask that these Gentlemen may receive Commissions bearing the date indicated. Hoping that these facts may meet Your favorable Consideration. I have the honor to be Your Ob't Serv't

I would hope, however, that whatever may be

Col John S Preston

Colonel. Lieut Black asks me to enclose to you and ask the favor of your personal attention to the accompanying tender of his resignation of his present commission, made with the view to his accepting the position of Assistant Professor in the So Carolina Military Academy to which he has been recently elected. He is very desirous to accept the appointment not because of its present value so much as to secure a position which will survive the war. He therefore begs your kind offices in procuring the acceptance of the resignation.

It occurs to me, however, — and I make the suggestion for your consideration — that it is perhaps further necessary that the consent of the Department be had to his assuming the new position. I therefore suggest that his resignation be accepted, that a special order be obtained, authorizing his assumption of the office tendered him.

What may be his future liability to conscription, as a Professor of the Academy, must of course depend on the future action of Congress.

Columbia, S. C. Sept 12 1863

Col John S. Preston,

Supt of Conscription

Colonel: I respectfully ask that Lieut. Jarvis E. Black be appointed Enrolling Officer with the rank and pay of Captain.

Lt Black has been connected with this Camp of Instruction since it was first instituted has become familiar with all its duties, and is in all respects reliable and efficient.

It is indispensably necessary that there shall be at the Camp some officer of suitable rank, who can attend to its administration, the drilling and discipline of the conscripts and to such other duties as can only be discharged there. The Headquarters are necessarily in Columbia, and the duties of receiving Conscripts on their arrival here by the Train, of sending them out to the Camp, of receiving Deserters as they are sent down, of safe custody, and of sending them forward, must necessarily be discharged here. The proper discharge of these duties will require that Major Radcliffe shall establ-

WAR DEPARTMENT

Reporting that a company of deserters on the Gulf coast of this peninsular to come in, and from other companies that they desert from - being remote they had not heard the President's proclamation

Head Quarters
Dist of E. Florida
Tampa City Sept. 11th 1863

It is very important that the interests of the service that a pardon be granted to all who come in within ten days from the date of this proclamation

[illegible]

[illegible] heard by that time a large party of Deserters from the army started in a great swamp in the Big Pond country in this place, the Knights were there joined by the name of Coker they originally joined Bob's Company but from some dissatisfaction with their Captain they run away before been mustered in they went into the Swamp above referred to. Some they heard their fellows are really deserters have joined them and it is believed by some of the good citizens in that County that Cokers party now numbers nearly a hundred men. A few days since I sent a verbal message from the Coker stating that if I would intercede with the authorities and procure a free pardon for them, that they would come out and join any Company or Regiment except the one they joined Originally, that they could not leave the service of young army their old commades to be called deserters and that those with them would do the same. That this Country (where they are) is so remote that they are not heard of the President's proclamation until it was too late to accept of it.

Now I believe if you will send Capt P Bird up there with a Letter offering free pardon that they will come out and join their Regiments. If you give such a letter it will be [illegible] heard that I may not be [illegible] this is done write to me

Sir.

I have to request that you will not send any Sick to this Hospital who live in this immediate neighborhood. My object in making this request is that I am continually troubled with applications and visits of Parents who come here to take their Sons home; which I cannot grant; when they find that they cannot get a furlough they generally desert from the Hospital and go home.

I have to day two men to desert — C. H. Sanders and C. Hunt of Comp. H. 8th Virginia Regt. and got to their homes in London County. Their Mothers after failing to get permission for them to go home, deliberately advised them to come in the Cars this morning without permission of the Medical Officer in charge and take the consequences. I have refused the request of the last Commander.

July 21st 1862

Sir.

I have the honor to report that Privates Gregory and E. Knight of the 1st Dakota Cavalry are in the Hospital, purchased from a Rebel a Rebel in the vicinity, about sixty seven Gold Pieces, and had it sewed up in large pieces of Rebel Soldiers Overcoat and made at the time of the transaction. For the use of the Hospital I refused the same to said Privates & Commanded the Rebel and requested him to keep it. Some men state that these Confederate Coins were taken at Corinth and they had permission of taking cigars at their Camp Dings and that it was contrary to the order of Genl Halleck to have Cigars to be admitted into Pedimar of Railway of the Potomac. I deemed it necessary to take some of this Stuff off, notwithstanding this impression of the Independence of these Corps.

Respectfully ask for instructions in regard to the disposition shall make of this Cigars. Also I shall appreciate it for the time [illegible] Rebel [illegible]

Hospital and praying that the Surgeon in charge may not be dishonored until information came from the proper authorities. They are anxious that I forward requisitions for 365 the cost of Hospital stores. I also respectfully call your attention to the fact that there is a large quantity of Surgeon's stores from the Defeat at Thompson's and would respectfully request that some steps be taken to prevent their destruction by the enemy. Nothing is often a loss in this way. I am credibly informed that the rebels are collecting in force at Grand Gulf and that Vicksburg is threatened. Grand Gulf is a depot of supplies for the rebel army and should be destroyed. I would suggest that a force be sent there and destroy the stores.

Very Respectfully

General Hospital Stirling Jail
Edinburgh Sept 1864

The undersigned appointed a Commission to examine Recruits presently in Stirling Jail and to report on the state of the Army in their occupation of Privates under the Militia Ballot Act 1859 have carefully examined the whole of the Recruits presently in Stirling Jail, and find that they have all the appearance of Healthy, able bodied men, fit for the duty of Soldiers, and that they are free from any bodily infirmity or disease which would render them unfit for the duty of Soldiers. And having made a careful examination of their chests find no appearance of disease. And they further certify that each of the men is in possession of his full complement of Clothing and Necessaries as required by the Regulations of the Service.

I have known Lt. Blackford intimately from childhood that he was a small boy and notwithstanding his efficiency and faithfulness in discharging the duties of his present office he would be entitled to promotion if he were in the line of the army.

Capacity induced me in the fall of 1862 to recommend him for appointment as Drill Master with the rank of 2nd Lieut. His promotion to 1st Lieut is contingent in the same manner and is cordially recommended.

Sir:

I take great pleasure in recommending the promotion of Lt W H Blackford. He was a non commissioned officer in the regiment formerly commanded by me (11th Va Infty). His moral habits, industry & courage endear him efficient in a remarkable degree. For these qualities & his skill in tactics, he was appointed Lieut. & assigned to duty as Drill-master.

This recommendation is based on an intimate acquaintance with the services of Lt Blackford & entire confidence in his qualifications.

Mr J. J. Blackwell a friend of mine, and
with whom I have been long and intimately acquainted
He is a native Tennessean, Was living and doing bus
ness, in Cincinnati, Ohio, when the present war com
menced, He immediately returned to Tennessee an
entered the Military Service of the Confederate State
and has been employed in the Commissary Depart
ment from then to the present time, since the appo
intment of Major Cummings, and his assignment t
duty at Atlanta. Mr Blackwell has been located a
this place as Major Cummings agent, and most
efficient one he has been. I think from personall obser
vation and knowledge as I have had the greater por
tion of the last two years at this place, and know
that Mr Blackwell is energetic in his business and
devotion and faithfull in the discharge of his
duties. He is worthy and meritt, for his services a
appointment of assistant Commissary with the ran

Hon J. P. Benjamin
Secy of War;
Sir,

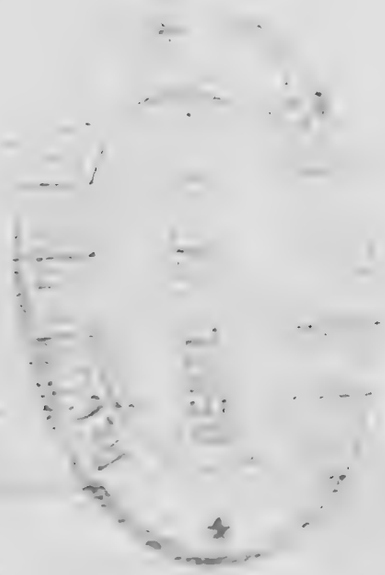

I beg leave to present for your consideration the claims of Mr Daniel Blain for an appointment in the Army of the Confederate States. Mr Blain, is at present the Ordnance Sergeant of the Post, & has in addition to his duties as such he has been for some time engaged in giving instructions in Artillery to the entire satisfaction of the Commanding Officer of the Post. He was a member of Colonel Pendletons Battery at & previous to the Battle of Manassa, and has not only had considerable experience in the field, but has always performed his duty with an alacrity and zeal, which are most worthy of commendation. Having been under my orders for the last three or four months, I have had ample opportunity of becoming acquainted with his character & qualifications, and I feel fully justified in recommending him most cordially for promotion.

Recommendation of Maj Benj Huger

Chief of Ordnance

Respectfully referred to the Secretary of War. Mr Blain is known to me as a worthy young man who voluntarily gave up his place as clerk & entered the service. He passed the Board of examination & was recommended for appointment as second Lieutenant but the number of persons recommended from Virginia by far exceeded the number allowed under the law - that some of the rejected Captains were not reached - Some of the successful examinees especially applied for the Ordnance service in the field were put on duty under General Order No 12 & have not yet been ordered in consequence of a deficiency of Ordnance officers to supply the demands.

Under these circumstances I request that if General service shall another can be done at present, Mr Blain has experience in the duties of a clerk in an office & might be useful there. If he desires the place I would recommend his detail to the Chief of Ord Bureau Richmond & that Maj R send some able bodied clerk that he may take Mr Blain's field.

Sir

I beg leave to lay before you the case of Daniel Bloom a meritorious young man who as appears by the endorsements from Major Randolph, passed examination before the Board of Ordnance Officers but has never been commissioned

His health failed soon after the war commenced & he went into the Ordnance Dept. as a clerk, until the summer of last year, when becoming apparently well he thought it his duty to return to the Army & did so. His health again failed and in one of the recent engagements on the Rappahannock tho' over exertion in working a gun, he was disabled & injured so much that he was sent to a hospital where he now is, without prospect of being able to resume active duties in the field.

He states & requests me to mention to Col Gorgas that there are quite a number of young men in the Army of N Va acting as Ordnance Officers who stand below him on the roll of merit, a fact probably unknown to Col G. He thinks that Col G. himself asked for his own appointment for him sometime in July 1862.

This young man is a Grandson of Gov Randolph Barbour formerly of Clifton - many one of them have also fallen in battle or are now in the Army - a fact which I mention only as evidencing that some of the race are like to wade the seven

Application for a leave of absence

Medical Director's Office,
Abingdon, Va. Jan. 21st 1864

Respectfully forwarded with the affirmation that Surg. Blair since his appointment 28th June 1862 has, to my understanding, been constantly on duty, until the present time. And this is his first application for leave of absence.

The circumstances of his family are such as to demand the extension of assistance which a husband and father only can give, and the sickness and inconvenience of good servants [illegible]

from injury during his absence. I respectfully recommend that his application be granted, dating from Febry 1st, 1864.
